Narrative Description of Program

(Outline briefly any changes or significant findings since last reporting; use additional sheets if necessary.)

The Township Water Department is undertaking a replacement program for out dated residential water meters. We are using the opportunity to perform cross-connection inspections while in the homes. There are 889 residences in the system and 128 businesses. 93 residences and 35 businesses (Total 128) were inspected in 2008. In 2008, Charter Township of Marquette implemented a new cross connection program. Please see attached.
